

# Children's of Alabama Compliance Corner

## **New Year – New Name!**

This is the final edition of the Children's *Compliance Corner* article and we need your help in selecting the new name for our quarterly communications. Those who participate will be entered in a drawing for six great prizes!

## **Your Input Matters**

The quarterly Compliance Corner article spotlights topics about our Code of Conduct, policies/procedures, and federal rules and regulations concerning our organization.

With the help of our Compliance Steering Committee, we now have five new name possibilities that better reflect the purpose of the articles and we would like the Children's community to help us pick the winning name. Please follow this link to select your favorite of the five possibilities.

## **How it Works**

Six survey participants who include their name and contact information will be chosen as winners

- Three winners will receive 8 hours of PTO
- Three winners will receive a \$25 (electronic) gift certificate for logo items

**Voting will close on December 17, 2021 at 5pm**

Thank you for participating in the survey!
